November 2, 2026

Dear Patients,

It is with a mix of bittersweet emotions that I announce that I will be retiring from practicing medicine effective December 11, 2026. I have been honored to be allowed to participate in the care of many wonderful patients, and work with great physicians and staff throughout my time here at Texas Orthopedics.

I am leaving you in the hands of a group of very dedicated physicians at Texas Orthopedics who are ready to continue to care for your musculoskeletal needs.

If you choose to seek medical care from a physician outside of Texas Orthopedics, please request your records from our website at https://requestmanager.healthmark-group.com/register.

I have greatly valued our relationship and would like to thank you for your loyalty and friendship over the years. Best wishes for your future health.

Sincerely,

Joseph H. Snowden, D.P.M.
